## CITY COUNCIL PROCLAIMS APRIL 12 ELECTION DAY

The City Council Monday night officially proclaimed April 12 election day in Albany. On that day local voters will elect three council members, a city clerk, city treasurer and two members to the Board of Education.

Also on the ballot will be three amendments to the City Charter governing civil service employees. They include elevation of civil service status for a main-

tenance man in the Fire Department, police-woman clerks and policemen clerks and the raising of the salary of the city clerk to six per cent the amount to be paid into the pension fund by civil service employees.

Three councilmen have filed their candidacy for re-election. They are Lawrence F. Williams, Charles F. Cleary and Raymond F. Cleary. Competing for election will be Mrs. Zehn and Mrs. Jewell Dunlap. Mrs. Myrtle McLean and Mrs. Grace Higgins will ask for reelection to their posts of city clerk and city treasurer respectively. Candidates for re-election to the Board of Education are Mrs. Delsa Walcott and Myles Perkins.

Councilman R. F. Cleary recommended that the city refuse the request of the East Bay Municipal Utility District for a reallocation of approximately \$3000 in State funds now held by Albany. He said a study by the Finance Commission revealed that the city could use this money and that it would stay here.

Speaking for the good of the city, Elizabeth Bechtel asked that the police officer be stationed at the corner of San Pablo and Washington during the time children are going to and coming from the theater. She said that drivers violating stop signals constitute a definite hazard to the safety of children. The matter was referred to Police Chief Stanley Williams for action.

## Report Shows City Raised \$2226 For Dimes Drive

Joe Villa, chairman of the Albany March of Dimes, reported today that residents of this city have contributed \$2226 to the annual fight to drive dimes.

School children contributed \$615, and a total of \$597 was returned in cash cards. Villa reported to John Hassler, chairman of the March of Dimes in Alameda County.

Villa pointed out that the total raised is still higher, as many Albany residents have not returned their cash cards. He urged that they do so at once, mailing them to March of Dimes campaign headquarters in Tel Leamington, Oakland.

Permits for the construction of buildings estimated to cost \$201,671 were issued by the Building Inspection department during February, 1948. Commercial alterations totaling \$77,100 topped the list.

## McLean-Mathis Nuptials Solemnized At Sunday Afternoon Ceremony

Beauty and perfection was the keynote of the recent Sunday afternoon wedding in the Thousand Oaks Baptist Church when Miss Jean McLean, daughter of Mrs. Myrtle McLean, Albany City Clerk, and the late John McLean, became the bride of Robert Bruce Mathis, son of Mr. and Mrs. Harry L. Mathis of San Francisco.

Jane attended the Albany schools and completed her training at San Francisco Junior College and Armstrong Business College. She was a member of the WAVES for three years. Her husband, a former serviceman, attended San Francisco Junior College.

Mrs. W. G. Weaver of San Anselmo arranged the lovely decorations of spring blossoms in the church. Rev. Kenneth B. Wallace officiated at the double ring service and Jane was given in marriage by her cousin, George Lyon Cobb of Berkeley, father of the two little flower girls, Patricia and Sharon Cobb.

Preceding Jane to the altar were maid of honor, Miss Patricia Edwards of Albany and secondary attendants; Miss Jean Henry, Livermore and Mrs. Patricia Boyle Pfeiffer of Albany.

Jane's formal gown of white satin was made with an exquisite embroidered net yoke and long train. Her full length veil was attached to a pearl tiara and she carried a bouquet of white orchids, bouvardia and hyacinth arranged with white satin ribbons.

Following the ceremony at the church a reception was held for the bridal party and guests at the College Women's Club. After a two weeks honeymoon at Donner where they participated in winter sports, the newlyweds are at home in East Oakland.

Rev. Donald Deffner, student pastor of the University Lutheran Chapel of Berkeley, will address a luncheon at the Grace Lutheran Parish Hall, Ward and Santa Fe on Thursday, March 11.

## Police Nab Robbers of Chelemedos Grocery

Albany Police Sergeant Robert Turley proved again the old axiom that a criminal will return to the scene of his crime when he arrested three youths in a stolen car near the Chelemedos Grocery at 1251 Solano Ave., which was robbed Wednesday evening, Feb. 24. Two of the youths, Elmer C. Harlen and John C. Schary later confessed the Chelemedos hold-up which netted \$45.

Aiding Turley in the arrest early Sunday morning were Officers Emil Zugoni and B. E. Johnson.

## CLUBS, CHURCHES BACK COMMUNITY CENTER PLAN

## MORGAN'S MEANDERINGS By M. S. T.

Jay Angelo was probably the busiest man in Albany this week. Not only was the local Lion roaring around trying to get his restaurant, The Yellow Bowl open at 1489 Solano Ave., but he was also sandwiching in frequent trips to Permanente Hospital where his Mrs. had a date with the stork. Amid all the hustle and bustle little Jack Michael Angelo announced his arrival at 2:58 on Wednesday afternoon. Then Jay triumphantly struggled forth with the announcement that his eatery will be open Monday at 11 a. m.

From Mrs. Myrtle McLean, city clerk, via Jack O'Leary, courier par excellence, comes a clipping from the Fargo (N.D.) Forum telling us that Jack Jester has been named an outstanding student at his high school to attend a four day youth project in St. Paul. Jack is the son of Fargo's Police Chief Lloyd Jester, formerly head of Albany's Police Department.

A touch of irony comes with the announcement from Lloyd Blair, chairman of the popular V.F.W. Saturday night dances at Memorial Building. He tells Morgan that from 200 to 300 people are now enjoying the shindigs but very few are from Albany. Blair says local folks just don't know what they are missing in real down-to-earth fun.

Notes at random: Ex-Mayor O. C. Yenne was a visitor at council meeting Monday night. . . Carl DeRose, former Albany High baseball star and now a member of the Yanks farm system leaves in a few days for spring training in Florida. . . Visiting at home this week was Mrs. Betty English, daughter of Police Chief and Mrs. Stanley Williams. The proud grandparents got their first glimpse of their new granddaughter, Carol Lynn.

## HS Parents Will Hear Facts on Power Shortage

The current pressing problems facing the Pacific Gas and Electric Company occasioned by the unprecedented growth of the State's population and the severe drought condition will be related by Kenneth W. Van Gundy, special representative from the P. G. & E.'s San Francisco office, at a joint meeting of the Albany High School PTA and Dad's Club to be held in Room 106 at the School on Thursday, March 11 at 8:00 p. m.

In Van Gundy's talk entitled "More Power to You," the Company's \$61,800,000 project on Feather River, a \$20,000,000 project on the Mokelumne River, a steam plant construction in San Francisco and Bakersfield and extensive substation and transmission line projects throughout Northern and Central California will be discussed.

Van Gundy will also tell how wartime building restrictions, unavailability of materials and manufacturing equipment and shortages of skill-

Rev. Charles E. Jackson, in charge of youth activities, St. Ambrose's Parish, stated, "It is my opinion that there is a very definite need for a public community center building completely independent of the school system for the teen-agers of Albany. . . This is also the opinion of the Reverend Pastor and the other Reverend Assistant. We are willing to give whatever support we possibly can to this proposed civic undertaking."

American Legion Commander Jack Hamilton stated that Albany has long needed an adequate public community center building and that the Legion has pledged their full support in the interests of our youth in hopes of developing better citizens.

President Elmer Stryker of the Lions said, "The Lions, after thorough investigation, is of the opinion that this is a most worthy project and deserves the support of the entire community."

Evelyn Gordon, president of the Albany Exchanges said their organization went on record, Tuesday night, March 2, approving the proposed community center and stated, "Our club will start a campaign to educate the citizens of Albany of the need for this project."

Layton reported that 12 letters in support of the public community center building have been received by the Albany City Council from local citizens. Residents supporting this project are: Dr. and Mrs. Philip F. Meads, Mrs. William McGimpsey, Mr. and Mrs. E. L. Nelson, Mr. and Mrs. Alan S. Klein, Mr. and Mrs. Christian H. Senne, Mr. and Mrs. F. M. Brown, Mr. and Mrs. David Cook, Mr. and Mrs. B. W. Stephenson, Mrs. Elsa H. Liotta, Mr. and Mrs. Solon L. Scordelis, Mrs. Alfred W. Moody, and Mr. and Mrs. J. Sterling Silver.

## Soroptimist News By BEA RAYMOND

The Albany Soroptimist Club is being pushed around again. Our usual meeting place was closed on very short notice and as we had no meeting place, the members got busy and whipped up a lunch at the YMCA and it turned out to be very good. One thing about the Soroptimist gals, they are resourceful.

Song leader, Claire McGaw, had several original songs that were very amusing and with Clair leading it goes without saying that the girls did a very good job of singing.

The rest of the meeting was devoted to business as this was our regular business meeting. A great deal of business of importance was discussed and many things are in the making that will be of importance later.

ed manpower brought some delays in P.G.&E.'s expansion but that now the \$350,000,000 construction operation is going ahead at full speed to-day on a score of different fronts.

A motion picture entitled "Hired Hands" will supplement the program, to which the public is cordially invited.

This group of members of the Albany Insurance Agents Association met recently at the Villa De La Paix, Oakland for their annual dinner with President G. D. Gaeta presiding. Speaker of the evening, Fire Chief Fred Pimental, told the members of the modern fire fighting equipment his department now has. Gene Latapie of Latapie and Latapie was accepted as a new member of the organization.

**ALL AUTOMOBILE  
INSURANCE  
IS NOT ALIKE...**

*choose carefully!*

It pays to remember that all auto insurance is NOT alike! State Farm Mutual's is different in many ways that benefit you. Among these distinct differences are its non-assessable policies ... its agents in the U. S. and Canada ... management economies ... six month renewal policies ... and its pioneering of such features as double-the-usual public liability and property damage insurance, liberal medical pay and 80% collision coverage.

1,300,000 policyholders can't be wrong—that's why State Farm Mutual is the world's largest auto insurance company. And you'll be right, too, by participating in State Farm's thrift-famous "More for Your Money" insurance plan. Please call me today for complete details.
